

Meet the DISC Team at the 17th Annual D&I Conference

UCSD ACTRI DISC'S PRESENTATION LIST

MON, DEC 09

11:00-11:15 AM EST

Who is going to implement? The role of demands and resources in predicting implementation intentions

Presenting Author: Alexandra Kandah, M.S.

DISC Co-Authors: Marisa Sklar, PhD; Greg Aarons, PhD

Podium

Understanding Medicaid Policymaker Evidence Behaviors and Preferences to Design Dissemination Strategies

Presenting Author: Erika Crable, PhD, MPH

Podium

1:15-2:30 PM EST

Implementing implementation science at the National Institute for Occupational Safety and Health to achieve equitable, public health impact

Presenting Author: Borsika Rabin, PhD, MPH, PharmD

Poster

4:15-5:30 PM EST

Symphony of Success: Leader-Practitioner Reciprocity during Evidence-Based Practice Implementation

Presenting Author: Gregory Aarons, PhD

DISC Co-Authors: Marisa Sklar, PhD

Poster

The California Adverse Childhood Experiences (ACEs) Screening Rollout: A mixed methods study of ACEs screening implementation in primary care

Presenting Author: Clare Viglione, MPH, RD

Poster

Implementation strategies used by clinics participating in a statewide diabetes learning collaborative to increase referrals to diabetes self-management education and support

Presenting Author: Aaron Kruse-Diehr, PhD

DISC Co-Authors: Borsika A. Rabin, PHD, MPH, PharmD

Poster

Using molecular epidemiology to prioritize HIV prevention resources in Clark County, Nevada

Presenting Author: Margaret Smith

DISC Co-Authors: Jessica Montoya, PhD

Poster

TUES, DEC 10

8:00-9:15 AM EST

An iterative approach to evaluating impact of a CTSA program using the Translational Science Benefits Model

Presenting Author: Kera Swanson, MPH

DISC Co-Authors: Nicole Stadnick, PhD, MPH; Lauren Brookman-Frazee, PhD;

Gregory Aarons, PhD; Emily Treichler, PhD; Borsika Rabin, PhD, MPH, PharmD

Poster

Prioritizing evidence-based behavioral health outcomes for dissemination with end-users

Presenting Author: Omonyélé Adjognon, ScM, DrPH Candidate

DISC Co-Authors: Emily Treichler, PhD

Poster

Using a Function and Form Matrix for Implementation Research to Optimize Consistency and Track Variation for a Complex Pragmatic Clinical Trial

Presenting Author: Anne Walling, MD, PhD

DISC Co-Authors: Borsika A. Rabin, PHD, MPH, PharmD

Poster

Examining implementation of dyad-centered group care: Perspectives from a multi-site pediatric practice-based research network

Presenting Author: Clare Viglione, MPH, RD

Poster

Measuring adoption of LGBTQ+ practices in school-based health centers

Presenting Author: Daniel Shattuck, PhD

DISC Co-Authors: Marisa Sklar, PhD

Poster

9:30-9:45AM EST

Speeding the integration of digital health technologies into mental health services for youth: Effects of an organizational implementation strategy on sustainment in the WISDOM trial

Presenting Author: Nathaniel Williams, PhD

DISC Co-Authors: Gregory Aarons, PhD; Marisa Sklar, PhD; Lauren Brookman-Frazer, PhD

Podium

10:00-10:15AM EST

Enhancing Delivery of Evidence-Based Behavioral Healthcare with AI vs Expert Human Feedback Tools: Predictors and Patterns of Provider Engagement

Presenting Author: Manon Ironside, PhD

DISC Co-Authors: Marisa Sklar, PhD; Gregory Aarons, PhD

Poster

1:00-2:15 PM EST

Meet the Editors

Presenting Author: Byron J. Powell, PhD, LCSW; Anne Sales, RN, PhD; Gregory Aarons, PhD; Alex Dopp, PhD

Podium

2:30-3:45 PM EST

Demonstrating Approaches for Implementing Weight Loss Programs in Primary Care

Presenting Author: Borsika Rabin, PhD, MPH, PharmD; Valerie Lehman, MHA; Stephen Persell, MD, MPH, FACP; Fred Rachman; Andrea Nederveld, MD MPH

Discussion Forums

8:30-8:45 AM EST

Expanding the Dissemination and Implementation Models in Health webtool with an interactive repository of assessment instruments for D&I Science

Presenting Author: Borsika Rabin, PhD, MPH, PharmD

Podium

10:30-10:45 AM EST

Enhancing D&I skills through consultation: A mixed methods approach to understanding D&I capacity building strategies

Presenting Author: Kera Swanson, MPH

DISC Co-Authors: Clare Viglione, MPH, RD; Marisa Sklar, PhD; Greg Aarons, PhD; Lauren Brookman-Fraze, PhD; Borsika Rabin, PhD, MPH, PharmD; Nicole Stadnick, PhD, MPH

Podium
