

ADAPTATION, FIDELITY, AND TAILORING

WORKGROUP PRESENTATION LIST

MON, DEC 09

11:00-11:15 AM EST

Managing unhealthy alcohol use: Results from the implementation of alcohol screening, brief intervention, and referral to treatment in primary care settings during the pandemic

Presenting Author: Tracy McPherson, PhD
Podium

11:15-11:30 AM EST

Tailored implementation of screening, brief intervention and referral to treatment for unhealthy alcohol use in diverse primary care settings: Findings from the ANTECEDENT study

Presenting Author: Erin Kenzie, PhD
Podium

11:45-12:00 PM EST

Adaptation of a tobacco cessation intervention into Lebanon's primary healthcare settings: A mixed-methods study

Presenting Author: Dima Bteddini, MS
Podium

1:15-2:30 PM EST

Tailoring Strategies for Implementation of Mobile Applications in Prenatal Care

Presenting Author: Natasha Kumar, MD, MSCE
Poster

Employing the FRAME-IS to report modifications from the IMPACT-FH pragmatic research trial

Presenting Author: Nicole Walters, BS

Poster

Adaptation of a resilience-based stigma reduction intervention in a resource-limited setting: Process and strategies

Presenting Author: Cheuk Chi Tam, Ph.D

Poster

Adaptation process of an evidence-based eating disorder prevention program for high-risk perinatal individuals

Presenting Author: Caroline Frisch

Poster

Strengthening Capacity for Tailored Immunization Programs in Nigeria Using the Adult Learning Principles: A Mixed Methods Study

Presenting Author: Chisom Obi-Jeff, MSc Public Health

Poster

Adaption of the I-Corps@NCATS Training Program: A Designing for Dissemination and Sustainability Fit-to-Context Methodology

Presenting Author: Elaine Morrato, DrPH, MPH, CPH

Poster

A pragmatic PLAN to sustain situationally tailored, innovative strategies to promote evidence-based health interventions in Nigeria: insights from a 5-week participatory co-creation and capacity building event.

Presenting Author: Temitope Ojo, MPH, PHD

Poster

Culturally Adapting a Tobacco Treatment Training Program for Oncology Providers in Latin America

Presenting Author: Ruthmarie Hernández-Torres

Poster

Impact of Adaptations to Diabetes Shared Medical Appointments in Response to COVID-19: Comparing Outcomes for Virtual vs In-Person Group Visits

Presenting Author: Bethany Kwan, PhD MSPH

Poster

Improving fidelity of the counseling and shared decision-making visit for lung cancer screening

Presenting Author: Lisa Lowenstein, PhD, MPH

Poster

Technology-based and cultural adaptation of an evidence-based prenatal intervention for medically underserved pregnant patients: The Just Mothers program

Presenting Author: Janna Garcia, MA

Poster

Leveraging discrete choice experiments to design and tailor de-implementation strategies for reducing mammography over-screening among older women: The Rethink Mammography Initiative

Presenting Author: Nathalie Moise, MD, MS

Poster

Investing in Implementation Infrastructure for Emerging Drug Trends: A Mixed Methods Cost Analysis of Rapid Adaptation to Prevent Drug use (RAPD) Pilot Study

Presenting Author: Andria Eisman, PhD, MPH

Poster

CHOICES-PLEAS: Adaptation of a patient-level behavioral intervention to lower the risk of substance exposed pregnancy for women with criminal-legal involvement

Presenting Author: Jennifer Bello Kottenstette, MD, MS, FASAM

Poster

Investing in Implementation Infrastructure for Emerging Drug Trends: A Mixed Methods Cost Analysis of Rapid Adaptation to Prevent Drug use (RAPD) Pilot Study

Presenting Author: Andria Eisman, PhD, MPH

Poster

Adaption and Implementation of a Collective Intelligence-Based Participatory COVID-19 Surveillance in Accra, Ghana: Implications for Dissemination & Implementation

Presenting Author: Gifty Marley, PhD

Poster

Stagewise Implementation to Target: Exploring pathways of implementation strategy participation, fidelity, and costs for two strategies in an adaptive implementation trial.

Presenting Author: Jay Ford, PhD

Poster

Adaptation of an Evidence-Based, Digital-First Intervention to support integrated mental health screening and linkage to care for people living with HIV in Uganda: Leveraging human-centered design

Presenting Author: Jeremy Schwartz, MD

Poster

2:30-3:45 PM EST

Adaptations for an evidence-based intervention that integrates hypertension management into HIV care in Lagos, Nigeria: Application of the FRAME approach.

Presenting Author: Shivani Mishra, MPH

Podium

Adaptation to Enhance the Appropriateness of Implementation for a Specific Context

Presenting Author: Corrina Moucheraud, ScD, MPH

Podium

Culturally Tailoring the Delivery of an Evidence-Based Diabetes Self-Management Program for Black Adults to Enhance Reach, Adoption, Implementation and Effectiveness

Presenting Author: Olayinka Shiyanbola, PhD, BPharm

Podium

Cultural adaptation of a teleophthalmology implementation program to increase diabetic eye screening in Latinx communities

Presenting Author: Diana Martinez Garcia, BS

Podium

Formative Evaluation of an Adaptation that Incorporates Health Equity into the Evidence-Based Quality Improvement Implementation Strategy

Presenting Author: Michelle Wong, PhD

Podium

Designing a Discrete Choice Experiment to Inform Intervention Adaptation for Multilingual Populations with Non-English Language Preference

Presenting Author: Kirsten Austad, MD, MPH

Podium

4:15-5:30 PM EST

Tailoring Coaching and Feedback Reports to Support Intervention Success

Presenting Author: Kate Magid, MPH

Poster

Flexibility and fidelity: Adapting a systems-based intervention to improve patient mobility in acute care

Presenting Author: Linsey Steege, PhD

Poster

Assessing fidelity of implementation of Mentors for Violence Prevention components – a Case Study in Iowa Schools

Presenting Author: Karisa Harland, PhD

Poster

Applying the Tailored Implementation in Chronic Diseases framework to analyze process evaluation interviews about Life Sustaining Treatment template completion over time

Presenting Author: Ms. Leah Haverhals, PhD, MA

Poster

Comprehensive Dementia Care: Key Insight on Adoption, Adaptation, and Sustainability

Presenting Author: David R. Lee, MD, MBA

Poster

Application and adaptation of the Consolidated Framework for Implementation Research to understand implementation factors in a community-based walking and a civic engagement plus walking program

Presenting Author: Cynthia K. Perry, PhD, RN

Poster

Adapting implementation of cancer-related financial toxicity interventions to address contextual barriers and facilitators to widespread adoption and sustainability

Presenting Author: Jean Edward, PhD, RN

Poster

Improving sexual and reproductive health in India through adolescent health clubs and provider sensitization curricula using the ADAPT-ITT framework

Presenting Author: Marie Brault, PhD

Poster

The impact of participatory-selected, context-adapted multilevel evidence-based strategies on improving adolescent HPV vaccination within a multi-site FQHC system

Presenting Author: Jennifer Tsui, PhD, MPH

Poster

CENTER-IT: a methodology for adapting multi-level evidence-based interventions using the Consolidated Framework for Implementation Research—a case example of a school-supervised asthma intervention

Presenting Author: Melissa Goulding, PhD, MS

Poster

8:00-9:15 AM EST

Adaptations to VA's permanent supportive housing program for participants with substance use disorders

Presenting Author: Camilla Cummings, PhD

Poster

Using innovative methods to guide and track rapid and rigorous adaptation of an evidence-based asthma intervention in schools: the Stoplight Adaptations approach

Presenting Author: Anowara Begum, MPH

Poster

A Systematic Adaptation of the Veggie Van for College Campuses: Addressing Student Food Security and Nutrition Needs

Presenting Author: Angelica Tutas Lozada, MPH

Poster

Promoting racial justice through system change: adapting a tool to identify gaps and guide action

Presenting Author: Jeannette C. Myrick, MPH

Poster

Just in Time Adaptation: Rapid Development and Implementation of a COVID-19 Vaccine Confidence and Uptake Intervention

Presenting Author: Paula Cuccaro, PhD

Poster

Adapting an Implementation Leadership Scale to Understand Multi-Level Leadership Engagement in the Implementation of a VHA National TeleNeurology Program

Presenting Author: Sean Baird, MA

Poster

Learnings from innovative vocational rehabilitation pilot adaptations for homeless-experienced Veterans

Presenting Author: Talia J. Panadero, MPH

Poster

Assessing implementation fidelity of shared decision making with EHR decision aids: Development and pilot testing of the Observed SDM Implementation Measure

Presenting Author: Jennifer Ridgeway, PhD, MPP

Poster

Does fidelity or dose delivered of 'Sustainability via Active Garden Education' (SAGE) moderate improvements in American preschool children's locomotor skills?

Presenting Author: Gabrielli De Mello, PhD

Poster

Adaptation and use of the collaborating with community scale to evaluate school-community linkages supporting LGBTQ+ adolescent health

Presenting Author: Daniel Shattuck, PhD

Poster

Critical time intervention (CTI) implementation and fidelity in community-based homeless service settings: barriers and potential solutions

Presenting Author: Maharshi Rawal, MPH

Poster

An approach to measuring fidelity to motivational interviews intervention in LMICs

Presenting Author: Donna Shelley, MD, MPH

Poster

Assessing the impacts of practice fidelity in a pragmatic implementation initiative

Presenting Author: Sonya Gabrielian, MD, MPH

Poster

Tracking ongoing adaptations using the FRAME-IS: Interim results from a hybrid II trial

Presenting Author: Christopher Miller, PhD

Poster

Adaptation and implementation of a navigation program for cervical cancer screening in urban and rural settings in Senegal

Presenting Author: Ibrahima Ndiaye

Poster

9:30-10:45 AM EST

Balancing Acceleration with Systematic Measurement in Implementation Studies in HIV

Presenting Author: Demetrios Psihopaidas, PhD, MA

Session

Adapting the Rapid Re-housing intervention to improve housing stability and HIV outcomes: Lessons from the pre-implementation phase of a national initiative

Presenting Author: Allyson Baughman, PhD, MPH

Podium

Low-burden online implementation of brief cognitive-behavioral treatment for insomnia training: 18-Month uptake & fidelity outcomes

Presenting Author: Jocelyn Remmert, PhD

Podium

2:30-2:45 PM EST

Locally-tailored versus centrally-administered strategies for de-implementation and substitution of cervical cancer screening practices: transitioning to primary human papillomavirus (HPV) screening

Presenting Author: Erin Hahn, PhD, MPH

Podium

WED, DEC 11

10:15-11:30 AM EST

Advancing Implementation of Effective Interventions in Populations Experiencing Health Disparities through CDC Prevention Research Centers Dissemination & Implementation Research

Presenting Author: Brigette Ulin, DrPH

Podium

The Impact of Adapting an In-Person Training to an Online Training on Implementation Outcomes: The Faith, Activity, and Nutrition (FAN) National Implementation Study

Presenting Author: Sara Wilcox, PhD

Podium

Adaptations as an implementation strategy for health equity: Partnering with community-based organizations to modify PEARLS dissemination and implementation strategies to reduce depression and disconnect for systematically marginalized older adults

Presenting Author: Lesley Steinman, PhD, MSW, MPH

Podium

Current Use of Intervention Mapping for Adaptation: A Systematic Review

Presenting Author: Hugo Sanchez Blas

Podium

Adapting an evidence-based intervention developed with one population for use with a new population: “Weight Wise” to “Deaf Weight Wise”

Presenting Author: Lori DeWindt, MA

Podium
