## **Policy on Integrity of Scholarship**

Integrity of scholarship is essential for an academic community. The University and the School expect that both faculty and students will honor this principle and in so doing protect the validity of University intellectual work. For students, this means that all academic work must be done by the individual to whom it is assigned, without unauthorized aid of any kind.

## **Attendance**

CREST/MAS program policy permits three absences without penalty. A fourth absence will result in a 15% reduction in your final grade. Be sure not to exceed 4 absences as this will result in automatic failure.

## **Computers**

Students are required to have access to a computer to complete assignments. Students are permitted to bring laptops to all classes. Students will be required to have required software installed to complete in-class exercises. If software is not available, please inform instructor well before the class.
